

4th Annual Dillon Art Festival Dillon, Colorado July 16th, 17th, & 18th, 2010

The show site is located on Lake Dillon Drive in the Downtown Area of Dillon

Pick up Space Assignments and Setup will be held on Thursday afternoon July 15th, starting at approximately **2:30** PM. We will be on the site until **7:00** PM that evening. You may stay later to set up, but someone will only be there till 7:00 PM to pass out space numbers. Also, Friday morning setup time will start at 6:00 AM. Thursday evening setup is highly recommended because we are anticipating heavy congestion the morning of July 16th. You may pick up your space assignment only at those times.

Because I do not allow "REPS", be prepared to show a pictured ID when you pick up your space assignment. There are no guaranteed space locations. *All spaces are assigned by the director to make the show look good and flow evenly. So please do not ask to be moved.*

To Get to Dillon - From I-70 exit at Silverthorne - Hwy 6 - go South - approximately **one** mile to the top of the hill. At the light, turn right on Lake Dillon Drive. Proceed two blocks to the Corner of Main Street And Lake Dillon Drive. The Show will be on the Left.

The show will be advertised to run until 6 o'clock on Sunday, July 18th, so plan on staying to the end. No early tear downs will be tolerated - **NO EXCEPTIONS.**

Be prepared for all types of weather. We have true Colorado weather up here in Summit County, so be well prepared.

See you at the Fair,

Mark Beling
Director
Mountain Art Festivals
